

Unlikely Hero:

JESUS

The Ultimate HERO

Matthew 9:18-22

John 20:19-31

Touch the Robe Faith

- God is pleased with your faith
- God wants to spend time with you
- God sees your importance
- If you have this faith, Jesus says, “Don’t give up hope... your faith has healed you”

Don't Touch Me Faith

- Fear
- Disappointment
- Act Now

JESUS

Touch Me Again Faith

Some:

- Not convinced, but desperate to believe
- Get more convincing and still never believe
- Get more convincing and eventually believe
- Believe and still need more convincing

Life Application

- Today, if you need a stronger faith (and we all do), come pray at the altar. By yourself or with someone. Your choice, but don't leave today without touching the robe of the Ultimate Hero.
- As you come to the altar, there are gifts for you to take home. Feel free to pick one up to remind you of the faith God is growing in you.
