

Expect A Miracle

Isaiah 9:2-7

Isaiah 7:14

Luke 4:18-21

Joy of Freedom

- The joy Isaiah promises is a miracle
- The miracle came through a normal flawed person
- God has a miracle for people today... YOU!

Joy of God with us

- Your joy is in the miracle that God is with us
- God is with us even in times of our deepest struggle
- The true joy of God with us comes only when He rules over all
- Experience the Joy of God with us by allowing His rule in your life

Joy of Miracles

- The joy of miracles doesn't come from the release of all suffering
- The miracle is an act of God
- The vessel of God's miracle is a mere human who chooses to work with God through painful labor so the people of God can experience a miracle
- I want you to be willing, through painful labor if necessary, to be a miracle this Christmas season

Life Application

- Discuss with your person 1 or 2 ideas that you feel might be God-initiated dreams for you to pursue in helping change the world for God's Kingdom
- Bring joy to someone this week
