

Coming Out Unscathed

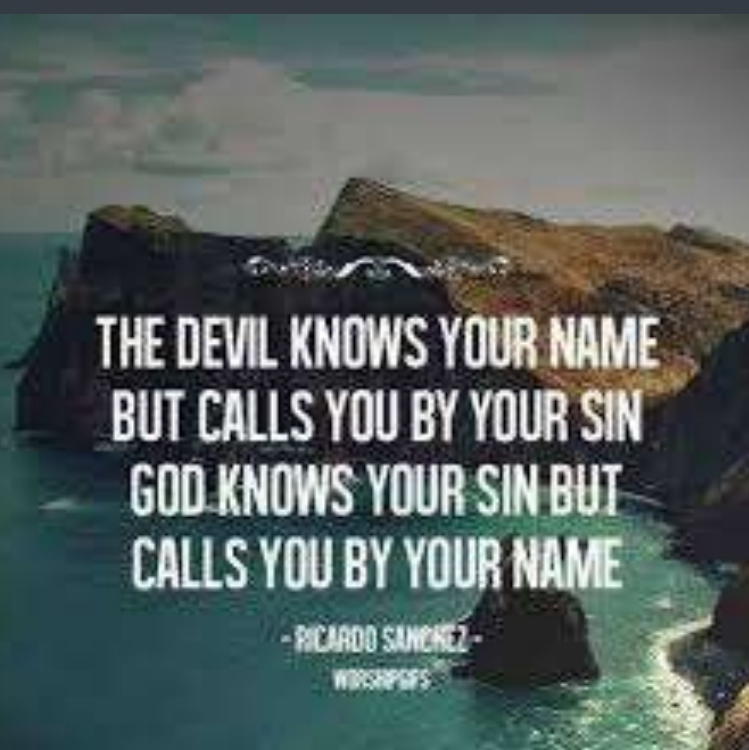

Isaiah 43:1-2

A piece of ancient, weathered parchment with irregular edges and some staining. The text is written in a dark, ancient script, likely Hebrew, and is arranged in two lines.

I have called you by name.
You are mine.

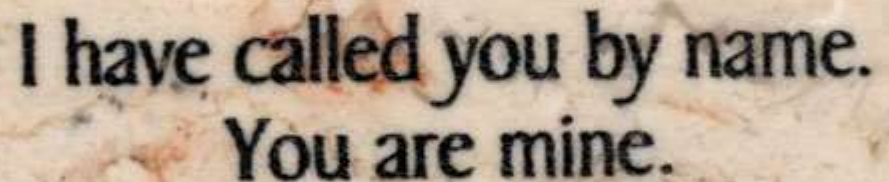

God Calls

- God calls you by name
- He names you before you are born
- God calling your name sets you free

THE DEVIL KNOWS YOUR NAME
BUT CALLS YOU BY YOUR SIN
GOD KNOWS YOUR SIN BUT
CALLS YOU BY YOUR NAME

- RICARDO SANCHEZ -
WORSHIPERS

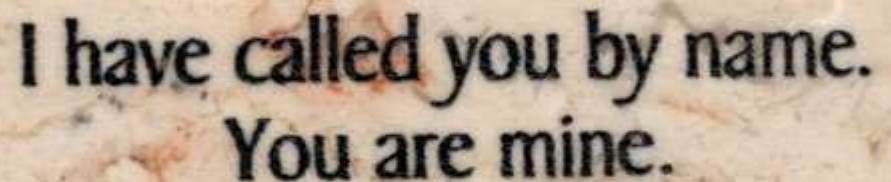

I have called you by name.
You are mine.

God Knows

- God names you based on what He knows about you
- God knows your circumstances

WHEN YOU
GO THROUGH
DEEP WATERS,
I WILL BE WITH YOU.
ISAIAH 43:2

I have called you by name.
You are mine.

God Saves

- God doesn't save us *from* things, but *through* them
 - He will get you through unscathed
- Events don't define us
- What defines you?

I have called you by name.
You are mine.

God Saves

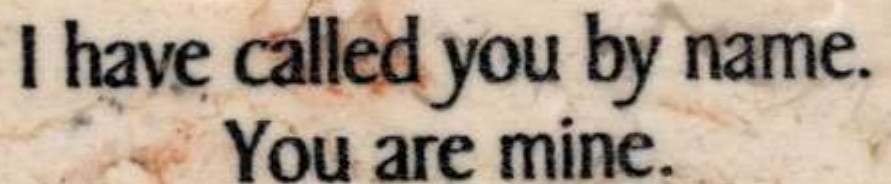

- Give God room to call you by name today!
- God has a name for you , regardless of your past
- Listen closely, let Him call you by your name

I have called you by name.
You are mine.

Life Application

- Look at something in your past that you think defines you today.
- Are you letting that event have the final word on your life, or are you allowing God to redeem it?

I have called you by name.
You are mine.
