Life Application

- Put the candle you prayed through during this service on the altar rail, still burning, as a reminder your prayers continue to be heard by God long after we have left
- Take an unlit votive home and pray

Sometimes,
all it takes is just

one Prayer to change...

Everything

The Prayer

- Pray that our own lives not stand in the way of the history of the church in our generation
- Pray for the courage to share

Sometimes,
all it takes is just

one Prayer to change...
